

Lucky's Super Powers

Lucky the Preparedness dog says: "Being a **SUPER FRIEND** means using your powers of **BRAVERY**, **COURAGE**, and **SUPER HONESTY**!"

When something doesn't look or feel right, your **DANGER SENSE** will perk up and activate your other superpowers.

BRAVERY and **COURAGE**: The power to tell a teacher or trusted adult when you spot something wrong, even if it means telling on a friend. This can be hard or scary, but is the super right thing to do.

By using **BRAVERY** you will also activate **SUPER HONESTY**. Telling a teacher of dangers will help protect your friends and classmates, and help you become a **SUPER FRIEND**.

SUPER FRIEND: Kindness to all and treating others like you want to be treated.

All three powers of **BRAVERY**, **COURAGE**, and **SUPER HONESTY** make you a **SUPER FRIEND**, and allow you to become a hero protecting yourself and those around you!
